CALIFORNIA PROPOSITION 65 DECLARATION

Effective Date: December 5, 2025

Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects, or other reproductive harm.

The Proposition 65 chemical list can be found at: <https://oehha.ca.gov/proposition-65/proposition-65-list>

- **Unless Listed Below**, Products supplied by All Electronics Hardware Inc., including packaging materials do not expose users to chemicals above compliance levels and unbound chemicals, which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986, that are not embedded in an impervious polymer matrix and are therefore not biologically available. Any hazardous chemicals are fixed in the polymer matrix and therefore present a negligible exposure risk under normal conditions of handling and usage unless they are liberated during melting (fumes) or grinding (dust).
- **Foam Adhesives** utilized on AEH wire routing devices(03-Series), Cable Clamps/Clip(04-Series), Mounted PCB Supports(01-Series), and Cable Tie Mounting Bases(02-50-Series) do contain the chemicals Toluene, Styrene, Ethylene Benzene, Benzene, and Cumene which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986.
Product Label Warning
WARNING: This product can expose you to the following chemicals which are known to the State of California to cause harm and/or cancer: Toluene and Benzene cause developmental and reproductive harm, and Styrene, Benzene, Ethylene Benzene and Cumene cause cancer.
For more information go to www.P65Warnings.ca.gov
- **Wire Connectors(19-Series)** supplied by AEH do contain the chemicals Zinc powder (stabilized) and Antimony Trioxide. Antimony Trioxide is listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986.
Product Label Warning
WARNING: This product can expose you to the chemicals Zinc powder (stabilized) and Antimony Trioxide. Antimony Trioxide is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov
- **Extruded Clips(03-07,27,28,31,32,62-Series)** supplied by AEH do contain Prop 65 substances: Vinyl Chloride monomer, Quartz, Styrene and Talc. These are considered bound in the polymer matrix of the finished good and not biologically available.

This assessment is based on data and certificates obtained from All Electronics Hardware's raw material suppliers. We have not performed independent testing to verify such information and disclaim any liability if such information is not accurate. It is the responsibility of our customers to determine that their use of our product(s) is safe, lawful, and technically suitable in their intended applications. Because of changes in the law and in regulations, we cannot guarantee that the status of our products and packaging will remain unchanged.
